### **EDITORIAL COMMENT:**

In 2006 the region board undertook an editorial review and update of this manual. Most changes were for consistency of style, however some changes were also made where terminology was inaccurate in the original, for clarity, or where usage had changed.

Those changes were

- Region delegate (in reference to assembly) changed to region representative. (1994a)
- Assembly minutes changed to Assembly Final Report. (Index, 1995a and Convention Guidelines)
- Deletion of the term “new policy motion: or “policy motion”; “New business motion” is the correct term. (Index, 1996b and appendix (i))
- The word “number” changed to “letter” at the end of the first full line. (Appendix (i)).

- Convention Guidelines Footnote. Guidelines for Special Events changed to the correct title Guidelines for OA events. (2006a)
- All currency is in Australian dollars unless otherwise stated.

In 2009 the region board undertook a further editorial review and update of this manual.

- Previous wording intergroup(s) changed to service body(ies),
- Remove redundant word intergroups,
- Previous wording donations changed to contributions,
- Previous wording Intergroups unaffiliated groups and N/LSBs changed to service bodies and unaffiliated groups,
- Add Definition to Bylaws glossary - Service Body(ies),
- Glossary changes in line with service body changes noted above.

**OVEREATERS ANONYMOUS - REGION TEN POLICY MANUAL  
A SUMMARY OF CONTINUING EFFECT MOTIONS

"To all Service Body chairs - please advise the representatives that the personal details provided on this form will appear on a list to be distributed to all assembly representatives ".

**1994a Background** *Concern was expressed that distributing a list of names, addresses and telephone numbers of region representatives was a break of anonymity. This policy was formulated to ensure future region representatives will be aware of this procedure and understand that it is not a break of anonymity.*

**1994b** Deleted 2006

**1994c** Deleted 2006

If feasible and the board approves of the content, the LRP Committee will proceed to place the information on the WWW.

**1995f Background** *The internet provides a cheap means of carrying the OA message and reaches many people very quickly and easily.*

**2012a** It was adopted that 2008b Convention Guidelines be amended as below to include a first section – “Bid Submissions”

## **CONVENTION GUIDELINES**

### **Bid Submissions:**

1. Bids can be submitted up to 3 years in advance, and approved at any Annual Assembly Meeting.
2. Bids will not be approved for a year until the preceding year has been decided.
3. Submitting Service bodies will provide information verifying the venue meets the criteria specified in the Convention guideline and that they are committed to the holding the event 1, 2 or 3 years out.
4. Dates will need to accommodate Trustee and Chair’s OA commitments which regularly occur in August and November

### **Costing:**

1. Be mindful of the fact that the price needs to be suited to the average budget but be aware that the convention is a Region Ten fund-raiser.
2. Associated costs:– include postage, photocopying, stationery (including nametags for convention only) Toll calls
3. When working out costs of attendance, accommodation and registration costs should be calculated separately to avoid overnight guests subsidizing day-trippers.
4. The registration fee should be paid by all attending and the committee should ensure that it is set at a level that covers all costs, including those listed above.
5. A cancellation policy is to be set by the convention committee with board liaison.

### **Venue/Accommodation:**

1. Suggested accommodation: seminaries, universities, retreat centres, church camps, motels, boarding schools, training colleges
2. Ensure all negotiation is confirmed in writing with reference to names and dates.
3. Accommodation to be single and/or shared rooms with shared facilities.
4. Allow for separate accommodation for male/female guests.
5. Ensure that the menu is negotiable and provision is made, wherever possible, for people to bring their own food.
6. Photocopy facilities to be available (weekends included).
7. Provide notepads, pencils, *Blu-Tack*, pins, tape, stapler, paper clips.
8. Make a whiteboard available.
9. Venue to be close to transport, shops and airport, where possible.
10. Assembly meeting requires one (1) large room with boardroom seating for up to thirty (30). The Convention requires one (1) large room that will hold up to one hundred (100) and three (3) small rooms which can seat twenty to thirty 20/30 people per room.

### **Programme:**

1. The assembly programme is set by the Region Ten Chair.
2. The assembly agenda is sent in advance to the convention committee chair so that the meal times can be coordinated with the kitchen.
3. The convention programme is to be sent to the Region Ten Board to be ratified two (2) months prior to the event.
4. When selecting people to be a lead speaker and/or chair meetings we suggest two (2) years abstinence.

6. The programme will also include an Ask-It Basket on the Sunday morning. There will not be an alternative session offered at this time.

**Flyers:**

1. Ideas for themes: *Came to Believe, Living in the Solution, Attitude of Gratitude.*
2. The theme and flyer needs to be submitted to the Region Ten Board for ratification within one (1) month of the close of the current assembly to enable the flyer to be distributed with the assembly final report
3. Flyers to be sent to World Service Office, all other Regions of OA and *Lifeline.*
4. The assembly/convention registration form is to be ratified by the board before being mailed out.
5. Registration forms to be circulated to all on the Region Ten mailing list six (6) months prior to the event.

**NB** An up to date mailing list is to be obtained from the Region Ten Secretary.

**Board Liaison:**

1. The assembly and convention is a Region Ten event and in organising this, the convention committee needs to have ongoing liaison with and ratification by the Region Ten Board of the programme, flyers and forms.
2. The committee should be aware of the need to adhere to The Twelve Traditions and The Twelve Concepts of OA Service.

**Float:**

1. A float of five hundred dollars (\$500.00) is available to the convention committee for initial costs to be reimbursed to the Region Ten Treasurer when the event account is finalised.
2. Please submit a detailed financial report to the treasurer with reimbursement of the float for future convention committee use.

**Recording:**

1. The assembly will not be recorded.
2. The host Service Body will arrange recording of the convention and dubbing of tapes/CD's.
3. Tapes/CD's will be sold at cost, plus one dollar (\$1.00) (local currency) per tape/CD, plus postage. The one dollar (\$1.00) per tape/CD is to go to Region Ten.
4. Costs of recording will be incorporated in the convention registration cost.
5. The activity of recording will be undertaken in an economical fashion. This may involve partial funding (approximating the cost of hiring equipment) of members from another Service Body which owns taping/recording equipment.

**Catering:**

1. It is recommended that a basic menu be provided; sauces, dressings and condiments to be on the side.
2. Please keep in mind that sugar, salt, fat and alcohol are a problem for many OA members.
3. It is recommended that people with special dietary requirements be advised to make their own arrangements.
4. It is recommended that reasonable effort be made to ensure OA members living in who need to prepare their own meals can do so.
5. For budgeting and fundraising reasons Region Ten is unable to offer reduced registration fees for people who bring their own food.

**Entertainment:**

1. Keep it simple.
2. OA members' partners can be invited to the convention social function.

**Footnote:**

Hosting an assembly/convention is an opportunity for your Service Body to grow together in unity, and for many, particularly newer members, to experience the joy of service.

It is invaluable for the Service Body committee running the event to get as many members as possible actively involved. Some ways, in which to involve people, or whole groups, are transport, hospitality, publicity, entertainment and registration.

The convention committee needs to be aware that the region representative role is a full-time

commitment. It is suggested that someone other than the region representative be available to deal with general enquiries during the time of the assembly.

Further guidelines can be obtained from the World Service Office *Guidelines for Special Events*.

**2012a Background We needed a process to allow bids to occur up to 3 years in advance for Assembly and Convention.**

**2012b** It was adopted that **2011b** be amended as below

**2014e**

**Amended 2011b in the heading paragraph to now read as:**

1. Applications for funding need to be received by the region chair six (6) weeks prior to assembly.
2. Delegates need to meet criteria as set out in *OA Inc Bylaws, Subpart B, Article X Section 3*.
